*** / ***

What Happened Today (Oct 3)

** Three witnesses were called to the stand: Miguel Reinoso, a Honduran detective from the Attorney General’s office; a DEA agent with knowledge of drug trafficking routes in Central America; and Victor Hugo Díaz Morales “El Rojo,” a collaborating witness of the prosecution also accused of drug trafficking by US federal prosecutors.

Key Details that Surfaced Today – “JOH” is Honduran President Juan Orlando Hernandez

** JOH was again implicated directly in receiving drug money by details documented in “drug notebooks” (“narcolibretas”). Tony and JOH’s name were written inside the notebook next to quantities of money.

** Witness “El Rojo” testified that he trafficked 140,000 tons of cocaine with Tony Hernandez and gave JOH \$40,000 for his congressional campaign. In two days of the trial, accusations of drug funding for JOH’s electoral campaigns have reached \$1,040,000 USD (\$1 million from El Chapo/Sinaloa cartel & \$40,000 from “El Rojo”).

What Will Happen Tomorrow (Oct.4)

** Witness “El Rojo” will continue his testimony

** Likely that more witnesses will be called if “El Rojo” finishes testifying.
